OCEANR created a collection of retail rash vests for the entire family, **inspired by Mayan astrology**. The designs drew from the cultural significance of the Pleiades, a group of seven stars deeply studied by the Mayans, aligning with the architecture of the St. Regis Kanai, which pays homage to this celestial formation.

OCEANR designed a **collection for pool and beach attendant uniforms**, focusing on sustainable materials like recycled polyester. The collection featured stylish and functional polos and hybrid shorts, combining luxury with eco-consciousness to meet the needs of St. Regis' exclusive beachside service.
